Suggested Use: As a dietary supplement, adults take 1-9 tablets daily or as directed by your healthcare professional.

Caprylex™ is a specially buffered, controlled-release preparation containing caprylic acid, a naturally-occurring fatty acid, complexed with calcium and magnesium. This complex is designed to help maintain the delicate balance of intestinal flora.†

†This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

KEEP OUT OF REACH OF CHILDREN.

For optimal storage conditions, store in a cool, dry place. (59°-77°F/15°-25°C) (35-65% relative humidity) Tamper resistant package, do not use if outer seal is missing.
