Flaxseed Oil is just one of the three main ingredients that make up this unique formulation, a synergistic blend of essential oils designed to help provide nutrients for the well-being of the body.* In addition to our Flaxseed Oil, Omega 3-6-9 contains Borage Oil, a source of gamma-linolenic acid (GLA), which helps regulate a variety of important functions in the body, and Fish Oil—a source of the Omega-3 fatty acids, Eicosapentaenoic and Docosahexaenoic (EPA & DHA).* EPA helps maintain healthy circulation.* These three oils provide diverse benefits for your overall health.*
