Colostrum - Mother Nature's perfect first food! Colostrum is a rich balance of vitamins, minerals and bioactive compounds lactated by the mother cow before milk is produced. Colostrum contains an abundance of compounds including immunoglobulins. Good 'N Natural Colostrum is true bovine colostrum standardized so that certain key proteins found in colostrum are supplied at consistent levels.

WARNING: If you are pregnant, nursing or taking any medications, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store at room temperature. Do not use if seal under cap is broken or missing.
