A Dietary Supplement

**Douglas
Laboratories® 30 Tablets**

Supplement Facts

Serving Size 1 tablet
Servings Per Container 30

Amount Per Serving		%DV
Carnitine (as L-Carnitine USP)	250 mg	*

*Daily Value not established.

Other ingredients: Cellulose, magnesium stearate, vegetable stearine, calcium carbonate, and silica.

Manufactured by: **Douglas Laboratories**
Pittsburgh, PA 15205 • www.douglaslabs.com

Suggested Usage:

As a dietary supplement, adults take 1 to 6 tablets daily, or as directed by physician.

L-Carnitine acts as a carrier of fatty acid molecules into the mitochondria of heart and skeletal muscle, where fatty acids can be utilized by the tissue cells as a source of energy. L-Carnitine is a naturally-occurring compound, with highest concentrations found in heart and skeletal muscle and dairy products.†

†These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

KEEP OUT OF REACH OF CHILDREN.

For optimal storage conditions, store in a cool, dry place. (59°-77°F/15°-25°C) (35-65% relative humidity) Tamper resistant package, do not use if outer seal is missing.
