Living in today's fast-paced world means dealing with a busy lifestyle. GABA Complex features some of the best ingredients for nervous system health.* Gamma-Aminobutyric Acid (GABA) functions as a neurotransmitter in the central nervous system.* Inositol, an essential component of cell membranes, plays an important role in cell growth and function.* Niacin is a B-Vitamin that supports nervous system health and energy metabolism.* Together, these ingredients support the health of your nervous system, helping you cope with the demands of the modern world.*

WARNING: If you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store at room temperature. Do not use if seal under cap is broken or missing.
