English Hawthorne (*Crataegus laevigata* [Poir.] DC.; syn. *Crataegus oxyacantha* auct.), of the Rosaceae family, is also known as Mayblossom and whitethorn. This English Hawthorne berry extract is standardized to contain 1.8% to 2.2% vitexin.

Suggested Usage: As a dietary supplement, adults take 1 capsule daily between meals, or as advised by your health care professional. If digestive irritation occurs, take with meals.

Stop use and consult your health care professional if allergic reactions occur. Note: If you are pregnant or nursing, consult your health care professional before using this product. May potentiate the action of digitalis.

KEEP OUT OF REACH OF CHILDREN.

For optimal storage conditions, store in a cool, dry place. (59°-77°F/15°-25°C) (35-65% relative humidity) Tamper resistant package, do not use if outer seal is missing.
