FDA. This product is not intended to diagnose, treat,
cure or prevent any disease.

Directions: For adults, take one (1) softgel
two times daily, preferably with meals.

For centuries, Garlic has been used for
its exceptional rejuvenating properties.
Its benefits are well-documented for
promoting cardiovascular wellness,
supporting healthy blood flow, and
helping to maintain cholesterol levels
that are already within the normal range.*
Garlic contains natural antioxidants,
which help to reduce free radical cellular
damage.* This can lead to oxidative
stress and the premature aging of cells.*
Our proprietary cold processing method
preserves the natural goodness of garlic
while reducing its odor, ensuring the
quality, potency and integrity of this
valuable nutritional source.

WARNING: If you are pregnant, nursing, taking any medications or
planning any medical procedure, consult your doctor before use.
Discontinue use and consult your doctor if any adverse reactions
occur. Keep out of reach of children. Store in a cool, dry place. Do not
use if seal under cap is broken or missing.
