Olive leaves have been used for overall
well-being for thousands of years by
people in countries bordering the
Mediterranean.* Our Olive Leaf Extract is
standardized for 20% Oleuropeins, the
active constituent in this herb.
Oleuropeins are powerful antioxidants that
help fight against cell-damaging free
radicals in the body.* By scientifically
isolating active constituents, we ensure
that they remain at consistent
concentration levels with each dose.

any medications, consult your doctor before use.
Discontinue use and consult your doctor if any
