Osteo-Guard® One-To-One, prepared from young bovine bone, provides calcium and phosphorus (as microcrystalline hydroxyapatite), trace minerals, bone matrix proteins, amino acids and glycosaminoglycans in their natural forms and physiologic ratios found in whole bone. Magnesium is included in an equal amount to calcium, providing a calcium to magnesium ratio of one-to-one (1:1).

WARNING: This product contains Vitamin K, which interferes with the prescription drugs Coumadin® and Warfarin. If you are taking these or similar prescription drugs, consult your healthcare professional before using this product.

Suggested Usage: As a dietary supplement, adults take 1 to 8 tablets daily or as directed by your healthcare professional.

KEEP OUT OF REACH OF CHILDREN.

For optimal storage conditions, store in a cool, dry place. (59°-77°F/15°-25°C) (35-65% relative humidity) Tamper resistant package, do not use if outer seal is missing.
