Osteo-Guard® Plus Ipriflavone provides a combination of nutrients to support bone health. Calcium and phosphorus are provided as microcrystalline hydroxyapatite, a whole bone extract also containing trace minerals, bone matrix proteins, amino acids and glycosaminoglycans in their natural forms and physiologic ratios. Ipriflavone, a unique flavonoid, magnesium, boron and vitamin K are included to further augment the benefits on bone metabolism.<sup>†</sup>

<sup>†</sup>These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

**Warning:** This product contains Vitamin K, which interferes with the prescription drugs Coumadin® and Warfarin. If you are taking these or similar prescription drugs, consult your physician before using this product.

**Suggested Usage:** As a dietary supplement, adults take 2 tablets twice daily or as directed by your healthcare professional.

KEEP OUT OF REACH OF CHILDREN.

For optimal storage conditions, store in a cool, dry place.  
(59°-77°F/15°-25°C) (35-65% relative humidity) Tamper resistant package, do not use if outer seal is missing.
