**\*These statements have not been  
evaluated by the FDA. This product  
is not intended to diagnose, treat,  
cure or prevent any disease.**

**Directions:** For adults, take one (1) tablet daily. Best taken on an empty stomach. DL-Phenylalanine should not be taken with protein-containing foods.

DL-Phenylalanine plays a key role in the biosynthesis of tyrosine and helps form some of the neurotransmitters that work in the mood centers of the brain.\* DL-Phenylalanine is an essential amino acid that cannot be made by the body and must be obtained from food.\* Amino acids are considered the building blocks of protein and are necessary for life.\*

**WARNING:** If you are pregnant, nursing or taking any medications, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store in a cool, dry place. Do not use if seal under cap is broken or missing.
