

Latero-Flora™ will help maintain a healthy colon and will repopulate the intestines with beneficial bacteria, thus enhancing the immune system.†

Suggested Use:

Adults: Every morning, 20 minutes before eating, take two capsules with water. After one or two months, reduce usage by half.

Children: One capsule as described above. If you wish, capsules may be opened and contents dissolved in water.

Latero-Flora™ is a revolutionary dietary supplement containing Brevibacillus Laterosporus (BOD strain), a viable microorganism, formulated under a registered secret process with patents issued. Patent #5455028.†
