

Osteo Bi-Flex® NutraJoint® With Glucosamine

The Formula for Flexibility™*

Glucosamine

Provides building blocks for glycosaminoglycans - the lubricating structure in cartilage*

Gelatin

Supports joint comfort and mobility by providing the building blocks for collagen - the chief structural protein in cartilage and bone.*

Vitamin D3

Essential for calcium absorption, helps to maintain strong bones and calcium blood levels.* Promotes immune function, breast and colon health.*

Açaí

Contains natural flavonoids and antioxidants to help protect against free radicals that can damage cells including those of the joints, heart, skin, immune system and eyes.*

An Excellent Source of Calcium and other important nutrients

Directions:

1. Pour 6 to 8 fl. oz. of your favorite beverage, like orange juice or fruit juice, into a glass or cup (not recommended for carbonated beverages). Add 1 scoop (enclosed) Osteo Bi-Flex® NutraJoint® with Glucosamine, Vitamin D3, Açaí, Gelatin and Calcium.
2. Stir until dissolved. Prepare one serving at a time just before drinking.
3. Take once a day.

This package contains the full net weight indicated. If it does not appear to be full when opened, it is because contents have settled during shipping and handling.

*Based on a syndicated report from the National Disease and Therapeutic Index (NDTI) containing data on physicians who recommend a branded Glucosamine/Chondroitin or Glucosamine supplement October 2009 to September 2010, and the results of the Pharmacy Times Survey among pharmacists who recommend a "bone/joint strengthener" dietary supplement, 2010.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
