

Suggested Usage: As a dietary supplement, take 1 Vcap® 1 to 3 times daily with or without meals.

L-Carnitine is a non-essential amino acid that helps to maintain overall good health by facilitating the transfer of fatty acid groups into the mitochondrial membrane for cellular energy production.* It naturally occurs in red meat and other animal source foods, but we recommend supplementation to obtain optimal levels of this excellent amino acid.

Carnipure™ offers purest L-Carnitine and is a trademark of Lonza Ltd, Switzerland.

Vcap® is a registered trademark of Capsugel.

Do not eat freshness packet. Keep in bottle. Store in a cool, dry place.

Supplement Facts

Serving Size 1 Vcap® Servings Per Container 180

Amount Per Serving	%Daily Value
L-Carnitine (Carnipure®) 500 mg (from L-Carnitine Tartrate)	+
+Daily Value not established	

Other Ingredients: Cellulose (capsule), Cellulose, Magnesium Stearate (vegetable source) and Silica.

Pure L-Carnitine is an amino acid that normally attracts water which can cause it to deteriorate rapidly. We use a tartrate form to help ensure that this product maintains stability and full potency.

Contains no sugar, salt, starch, yeast, wheat, gluten, corn, soy, milk, egg or preservatives.
