

STANDARDIZED EXTRACT

Bilberry (*Vaccinium myrtillus*) is a rich source of anthocyanosides, flavanols believed to be responsible for the herb's beneficial properties in promoting overall eye health. These flavanols contain potent antioxidant properties. In addition, they play a key role in building healthy connective tissue, improving circulation and maintaining normal night time vision. ***These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.**

Also available in a **Holistically Balanced®**
Concentrated Liquid Extract

CAUTION: Keep out of reach of children. Do not use if safety seal is damaged or missing. If pregnant, nursing or on medication, consult with your health-care practitioner. Store in cool, dry place.
