DIETARY SUPPLEMENT

COMPARE TO ACTIVE
INGREDIENTS IN
OS CAL® 500†

OYSTER SHELL

Calcium
500

Helps Build Bone Mass In Young Adults
And Helps Prevent Bone Loss In Later Years*

200 Tablets

Regular exercise and a healthy diet with enough calcium helps those at high risk, including teen and young adult Caucasian and Asian women, maintain good bone health and reduce their high risk of developing osteoporosis later in life.

Adequate calcium is important, but daily intakes of above about 2000mg are not likely to provide any additional benefit.

Vitamin D is essential for use of calcium and necessary for healthy bones, teeth and cartilage.*

Directions: Take up to (2) tablets daily with any meal for maximum daily results, or as directed by your healthcare provider.

Keep out of reach of children. Do not use if product appears to be tampered with or seal is broken. Store at room temperature.

Unconditionally guaranteed for purity, freshness and label potency. No Added Sugar, Salt, Yeast, Preservatives or Artificial Flavors.
