

Suggested Usage: As a dietary supplement, take 1 Vcap® daily with a meal. Do not take this product on an empty stomach; do not exceed recommended dose.

One capsule of Green Tea Extract with 200 mg EGCg possesses the phytonutrient content equal to about 2-3 cups of green tea. Green Tea Extract contains numerous compounds, including Polyphenols and Catechins, that provide potent antioxidant benefits.*

Caution: Take with food. Individuals with liver disease or those currently taking any medications should consult their health practitioner prior to use.

Do not eat freshness packet.
Keep in bottle.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
