* This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Carb Control provides support for your low-carb diet by reducing the absorption of the starchy foods you eat.* Now you can enjoy bread, pasta, rice, potatoes and corn while not absorbing all of their carb calories.*

Suggested Use: As a dietary supplement, two (2) to four (4) tablets with high starch meals, or as directed by a medical practitioner.

Warning: Consult your medical practitioner before using this product or beginning a weight management program. You should not use this product if you are pregnant or nursing. This product is for adult use only keep out of reach of children.

For Your Health: No Added Sugar, Salt, Yeast, Artificial Flavors, Colors or Preservatives. Unconditionally guaranteed for purity, freshness and label potency.
