

USAGE: Take 4 tablets per day with meals, or as directed by your qualified health care consultant.

NOTE: Individuals who are diabetic, being treated for glucose control, or who are pregnant or lactating should consult a health care professional before using this product.

Glucose Optimizer® is a comprehensive combination of nutrients that improve glucose metabolism and antioxidant protection.*

- **Alpha Lipoic Acid** facilitates reduction of blood glucose and supports general metabolism by its effects on energy production.*
- **Banaba, Gymnema, Bitter Melon, Fenugreek and Eucalyptus** are herbal extracts that have glucose regulating properties.*
- **Green Tea Extract** (45% Polyphenols) supports the strength of capillaries and other blood vessels.*
- **Magnesium** is involved in the metabolism of glucose and production of energy in the form of ATP.*
- **Bilberry** promotes healthy eye function and circulation.*

Keep out of the reach of children.
