21ST Century® ... for a healthier future.

Evening Primrose Oil

21st Century's Evening Primrose Oil is an excellent source of gamma-linoleic acid (GLA), an essential fatty acid. Fatty Acids play a major role in the maintenance of healthy skin, cell membrane structure, cardiovascular and nervous system support.* Evening Primrose Oil is used in Europe and Asia to aid the symptoms of PMS. 21st Century's® Evening Primrose Oil contains the highest levels of GLA (10%). 21st Century's standardized herbal extracts are thoroughly tested to assure specific levels of the important active ingredients are present for maximum benefit.
