120 (Easy Swallow) Capsules

Many recent scientific studies have shown the effectiveness of taking supplements with the proper combination of Glucosamine Sulfate and Chondroitin Sulfate. These compounds found in the soft cartilage, tendons, and synovial fluid, are essential to the healthy functioning of tendons and joints, especially with advancing age.* 21st Century's® Glucosamine & Chondroitin combines these two nutritional elements in the proper amounts for effective use. This product is not, however, intended to replace the advice of your physician.

Directions: As a dietary supplement, take up to two (2) capsules daily after meals, or as directed by a healthcare provider. Do not exceed recommended dosage.
