NATURE'S ANSWER®

Black Cohosh root (*Cimicifuga racemosa*) was used by both Native Americans and early settlers to treat female-related conditions. Recent studies have pointed to the herb's beneficial effects on supporting female hormonal balance. ***These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.**

Also available in a **Holistically Balanced®**
Concentrated Liquid Extract

CAUTION: In rare cases Black Cohosh has been reported to affect the liver. Discontinue use and consult your health-care practitioner if you have a liver disorder or develop symptoms of liver trouble, such as abdominal pain, darkened urine or jaundice. Keep out of reach of children. Do not use if safety seal is damaged or missing. If pregnant, nursing or on medication, consult with your health-care practitioner. Store in cool, dry place.
