**HYPERICUM
PERFORATUM III***

St. John's Wort Extract

*Promotes a Balanced Emotional Outlook***

Research grade • Dietary Supplement*

Standardized to contain 0.3% hypericin, minimum 5% hyperforin

*National Institutes of Health tested and approved.

*Formulated with Vitamins B6, B12, Folic Acid, and the broad spectrum grape seed antioxidant Leucoselect. Vitamin B6 is essential for the body's production of serotonin. Folic acid may help relieve anxiety and panic associated with depression and should always be taken in combination with vitamin B12 as taking only one of these B vitamins can mask a deficiency in the other. B12 has been shown to support the augmentation of SAME. Leucoselect protects and ensures hyperforin stability. No animal products are used in this product. Contains no sugar, starch, yeast, artificial colors, preservatives or dairy products. Keep out of the reach of children.

Not to be used by people taking MAO inhibitors. May cause hypersensitivity to sunlight. Not to be taken by pregnant women. Talk to your doctor if you are on prescription medication

Directions for Use: Adults-as a dietary supplement, take one tablet three times daily.
