

USAGE: Take 1 capsule per day, or as directed by your qualified health care consultant.

NOTE: If you have a medical condition (especially bleeding disorders), are pregnant, lactating, or trying to conceive, are under the age of 18, or are taking medications (especially blood-thinning or blood-clotting medications), consult your health care practitioner before using this product.

Jarrow FORMULAS® NattoMax® is a highly purified extract of the Japanese superfood Natto, which is made using soybeans fermented with *Bacillus subtilus natto*.

NattoMax® is concentrated without solvents. Each capsule offers 2,000 fibrinolytic units. Nattokinase is a fibrinolytic enzyme that promotes healthy circulation by its effects on serine protease-mediated digestion of fibrin.*

Keep out of the reach of children.
