

USAGE: Take 2 StressTame® capsules 30 minutes before bedtime, or as directed by your qualified health care consultant. Two capsules may be emptied into a cup of boiling hot water to make tea.

WARNING: Do not drive or operate machinery after taking this supplement. Do not take with alcohol, benzodiazepines, anti-depressants or pain medications.

NOTE: If you have a medical condition, are pregnant, lactating, or trying to conceive, are under the age of 18, or are taking medications, consult your health care practitioner before using this product.

Jarrow FORMULAS® StressTame® is designed to assist in relaxation, stress reduction and restful sleep.* Research shows that stress affects brain function, compromises immune response and raises cortisol production.*

GABA is an inhibitory neurotransmitter that occurs naturally in the brain. L-Theanine is an amino acid found in green tea. Both nutrients have a calming effect.*

Keep out of the reach of children.
