Other Ingredients: De-ionized Water, Rice Bran Oil, Vegetable Glycerin, Xylitol, Soy Lecithin, Hydroxylated Soy Lecithin, Natural Flavors, Brown Rice Protein, Organic Orange Oil (Valencia), Rosemary Extract (*Rosmarinus officinalis* (Leaf), Citric Acid, Potassium Sorbate, Guar Gum and Maltodextrin.

^{**}Co-enzyme Form

Manufactured by NHO, P.O. Box 2200, Sports, WI 53021

Made in the U.S.A. www.protocolforlife.com

SUGGESTED USAGE: Shake well. As a dietary supplement, take 1/2-1 teaspoon daily with food. For intensive use, take 2-6 teaspoons daily under the supervision of a health care professional.

Coenzyme Q₁₀, also called ubiquinone, is present in almost all cells, where it is necessary for mitochondrial energy production. The body's highest concentrations of Coenzyme Q₁₀ (CoQ₁₀) are found in the heart, where constant chemical energy availability is imperative. In addition to its benefits for cardiac function through energy production, CoQ₁₀ also functions as a powerful fat soluble antioxidant, providing protection against free radical attack for vascular structures, as well as for other tissues.*

REFRIGERATE AFTER OPENING.
