90 Vcaps®

A Dietary Supplement Vegetarian Formula

SUGGESTED USAGE: As a dietary supplement, take 2 Vcaps® twice daily, preferably with meals. Consider taking this product in combination with A-Biotic® softgels.

Protocol for Life Balance™ C. Away™ is a unique formula that has been carefully formulated to support the health of the gastrointestinal tract.* It is well known that certain microorganisms are critical to the normal function of the digestive tract, healthy immunity, and proper detoxification processes. The ingredients in C. Away™ encourage the growth of those microorganisms that contribute to a healthy balance of intestinal flora, thereby promoting proper immune function, healthy detoxification, and overall digestive health.*

*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

Warning: Do not take this product if you are pregnant or breast-feeding without prior medical consultation. Please keep out of reach of children. Vcaps® is a registered trademark of Capsugel.

Do Not Eat Freshness Packet. Keep in Bottle.

Store in a cool, dry place. Please Recycle.

CODE P3308 V2

Protocol for Life Balance™ C. Away™ has been formulated to support the health of the gastrointestinal tract.* A healthy microenvironment is known to be critical for the normal function of the digestive tract and healthy immunity. In addition, a healthy gut facilitates the detoxification process. The ingredients in C. Away™ encourage the growth of those microorganisms that contribute to a healthy balance of intestinal flora. C. Away™ can therefore help to promote proper immune function, and overall digestive health.*

Protocol for Life Balance™ C. Away™ contains a specialized blend of nutrients and herbs that support healthy intestinal flora. Biotin, Magnesium, Caprylic Acid (a short chain fatty acid), Pau D'Arco (*Tabebuia impetiginosa*), Black Walnut (*Juglans nigra L.*), and Oregano Oil (*Origanum vulgare*) are combined in this formula for effective control of undesirable particles, as well as for optimal intestinal health.*

Cautions and Interactions

Not recommended for use during pregnancy or lactation or by children 2 years and under. Caution should be exercised by those taking hormonal drugs, such as insulin, or other medications. May cause mild gastrointestinal symptoms.*

Guaranteed Quality

This is an FDA-regulated dietary supplement that is produced in an FDA- and third party-inspected facility. We are certified for producing dietary supplements and USDA Organic products using Good Manufacturing Practices (GMP). All ingredients are quality tested to meet or exceed specifications. Our quality team goes above and beyond standard quality control to ensure the safety and efficacy of this supplement. We utilize advanced analytical and microbiological testing methods, with capabilities that are state-of-the-art and exceed basic lab requirements.

*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

This product contains an Ageless® anti-oxygen packet to enhance protection during storage.
