FOR LIFE BALANCE™

Clinical Strength PepZin GI® Soothe™

- With PepZin GI® & Mastic Gum
- Supports Health and Comfort of Stomach Lining Cells*

10% of profits donated for health research

60 Tablets

A Dietary Supplement Vegetarian Formula

SUGGESTED USAGE: As a dietary supplement, take 1 tablet twice daily.

PepZin GI® Soothe™ is a dietary supplement designed to protect and support healthy stomach and intestinal linings. PepZin GI® Soothe™ contains the patented ingredient, PepZin GI®, which has been shown to provide nutritional support for the mucosal cells of the stomach and intestine. PepZin GI® encourages healthy inflammatory responses in the GI tissues and promotes integrity of the stomach lining.* PepZin GI® Soothe™ has the additional benefit of mastic gum, a natural resin from *Platanus lentisscus*, a small evergreen tree native to Greece. Mastic gum similarly supports stomach health, having demonstrated its effectiveness at providing relief of occasional digestive discomfort.*

Do Not Eat Freshness Packet. Keep in Bottle.

Store in a cool, dry place. Please Recycle.

CODE P3345

V3

PepZin GI® Soothe™ is a specialized dietary supplement designed to provide nutritional support for proper stomach function, tissue integrity, and as a source of the essential mineral, zinc.*

The actual molecule of PepZin GI® (Zinc-L-Carnosine Complex) received its US patent in 1991. Since then, it has gained much attention for its stomach support benefits. This unique product may help to reduce occasional gastric discomfort, sustain a healthy GI environment, support the health of gastric cells, and assist in promoting a healthy stomach lining and environment.*

PepZin GI® has consistently demonstrated notable antioxidant and membrane stabilizing effects within the stomach, while being an excellent bioavailable ligand (a molecule, or functional group, that binds to another chemical unit to form a larger complex) for zinc nutrition. Additional studies indicate that PepZin GI® may have considerable impact on inflammatory balance.*

Cautions and Interactions

There are no known drug interactions.

Guaranteed Quality

This is an FDA-regulated dietary supplement that is produced in an FDA- and third party-inspected facility. We are certified for producing dietary supplements and USDA Organic products using Good Manufacturing Practices (GMP). All ingredients are quality tested to meet or exceed specifications. Our quality team goes above and beyond standard quality control to ensure the safety and efficacy of this supplement. We utilize advanced analytical and microbiological testing methods, with capabilities that are state-of-the-art and exceed basic lab requirements.
