GNC QUALITY COMMITMENT

GNC, the leader in the development and manufacture of dietary supplements, is committed to producing the highest quality products available. This commitment begins with quality designed supplement formulations. Every raw material that goes into a GNC supplement is guaranteed as to quality and potency. Each product is dated and then shipped immediately to our stores, so you can be sure you are purchasing the freshest supplements available. At GNC, we extend our quality commitment to you by offering our money-back guarantee.

GNC GUARANTEE

Use any GNC supplement for as little as 10 days. If you are not 100% completely satisfied, return the unused portion of the product with proof of purchase to your GNC store for a complete refund of your purchase price. No questions asked!

TRIFLEX™

COMPLETE VITAPAK®

Comprehensive Vitapak® program for joint health:
TriFlex™ Fast-Acting, Triple Strength Fish Oil,
White Willow Bark and MSM

Maximum strength, provides joint comfort in as
early as two weeks*

Rebuilds cartilage and lubricates joints*

Supports natural anti-inflammatory response^*

30 PACKS

GNC TriFlex™ Complete Vitapak® features clinically studied ingredients that support total joint health and provide joint comfort in as early as two weeks.* These ingredients support mobility and flexibility, rebuild cartilage and lubricate joints.*

TriFlex™ Fast-Acting - This maximum strength, fast-acting comfort formula features the full potency, clinically studied doses of glucosamine and chondroitin to support joint comfort and flexibility.^* Glucosamine and chondroitin help preserve joint function and rebuild cartilage.* It combines two important structural components of joint cartilage, MSM and hyaluronic acid (HA), which helps with cushioning joints and maintains the elastic integrity of skin.* It also includes 30 mg of vitamin C. Vitamin C is involved in the synthesis of collagen.*

White Willow Bark Extract - Provides joint comfort in as early as two weeks.* The combination of glucosamine and chondroitin with white willow bark provide dual action benefits for joint comfort.*

Triple Strength Fish Oil - Supports the body's natural anti-inflammatory response and promotes joint health.* Fish oil naturally provides omega-3 fatty acids EPA (Eicosapentaenoic Acid) and DHA (Docosahexaenoic Acid). One enteric coated softgel capsule features a total of 900 mg of omega-3 fatty acids; 647 mg of EPA and 253 mg of DHA. The enteric coating controls or reduces fishy burps by allowing the softgel to break down and absorb in the small intestines.

MSM - A naturally occurring organic sulfur that provides an important component for joint cartilage.

Once you have completed eight weeks of daily usage of this product, check with your healthcare professional regarding continued use, as you should now be able to switch to GNC TriFlex™.
