ULTRA MEGA® GREEN WOMEN'S

Dietary Supplement

WHOLE FOOD ENHANCED VITAPAK® PROGRAM FOR ALL WOMEN

- Green foods multivitamin formula with 2,000 IU of vitamin D-3
- Strengthens bones with 650 mg of calcium and clinically proven MBP®*
- Promotes heart health with high potency Omega Complex*
- Supports metabolism with green tea and urinary tract health with cranberry*

30 Packs

GNC ULTRA MEGA® GREEN WOMEN'S VITAPAK® PROGRAM

GNC Ultra Mega® Green Women's Vitapak® Program is a scientifically designed, convenient green foods enhanced nutritional program that combines essential vitamins and minerals with plant and whole food based ingredients to support the optimal health of women. Emerging research suggests that including green foods as part of a healthy nutritional plan can have a variety of health-enhancing effects and can help support overall wellness. This nutrient-dense whole food enhanced multivitamin formula has been designed to supply nutrition for even the most demanding schedules.

- **Ultra Mega® Green Women's Multivitamin** – A green foods multivitamin designed specifically for women. This formula provides a superior blend of vitamins and minerals combined with essential antioxidants, enzymes, and phytonutrients found in green foods to help women achieve optimal health. It also provides 1,600 IU of vitamin D-3 to support breast and bone health.* This premium multivitamin formula also includes a B vitamin complex to support energy production, as well as antioxidants for protection from harmful free radicals that can destroy healthy cells.*
- **Calcium & Vitamin D with MBP®** – A premium bone formula featuring 600 mg of calcium, 400 IU of vitamin D-3 and 40 mg of clinically studied MBP® Calcium is an important structural component of bone that helps maintain a healthy bone matrix. Vitamin D enhances calcium absorption. Emerging research indicates that adequate daily vitamin D intake may play a role in supporting breast, bone and immune health. Additional research indicates that MBP® supports the body's natural ability to build and maintain bone mass by supporting the body's bone building cells.*
- **Omega Complex** – A healthy blend of omega 3, 6 and 9 fatty acids per daily serving. This blend includes EPA and DHA, essential omega-3 fatty acids known to support brain and joint health.* Daily supplementation of omega-3 fatty acids also provide numerous heart-health benefits.* They help to maintain healthy cholesterol levels, are necessary in the maintenance of normal blood pressure and may reduce the risk of coronary heart disease.* Consumption of omega-3 fatty acids may reduce the risk of coronary heart disease. FDA evaluated the data and determined that, although there is scientific evidence supporting the claim, the evidence is not conclusive.
- **Standardized Green Tea** – Each pack supplies 125 mg of EGCG, a major active component of green tea that supports metabolism and an antioxidant that can promote cell health by helping fight off free radicals.*
- **Cranberry** – Supplies 500 mg of cranberry to support a healthy urinary tract.*

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
