

Recommendation: As a dietary supplement, take one capsule with or between each meal, 1 to 3 times daily.

Do not use if safety seal is missing or broken.

Keep out of reach of children.

Store in a cool, dry place.

Magnesium is an essential mineral and is critical for energy production and metabolism, muscle contraction, nerve impulse transmission and bone mineralization. It is present in more than 300 enzymatic systems where it is crucial for energy production and other metabolic functions. The heart, brain and kidneys cannot function without adequate levels of this nutrient*
