| Amount Per Serving                                                                                                                                                                                                             | % Daily Value* |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------|
| Calories                                                                                                                                                                                                                       | 50             |
| Vitamin C (as ascorbic acid)                                                                                                                                                                                                   | 60 mg 100%     |
| Proprietary Resveratrol Blend (RestoreVetrol™)**                                                                                                                                                                               | 1040 mg †      |
| [Trans-Resveratrol 99% (Polygonum cuspidatum), Red Wine Extract, Extracts of: Noble Red and Carlos Variety Fresh Whole Muscadine Grape Juice, Seed & Skin, Concord Red Grape Extract, (yielding 125 mg of trans-resveratrol)]. |                |
| Proprietary ORAC Blend                                                                                                                                                                                                         | 700 mg †       |
| (Pomegranate, Red Raspberry and Purple Corn Extract)                                                                                                                                                                           |                |
| Quercetin                                                                                                                                                                                                                      | 27 mg †        |

\* Percent Daily Values are based on a 2,000 calorie diet

† Daily Value (DV) not established.

**Other Ingredients:** Vegetable Glycerin, Purified Water, Xanthan Gum, Quik-Sorb® (amla fruit, ginger rhizome, capsicum fruit).

**Suggested Use:** As a dietary supplement mix 1 teaspoon (5 mL) with an equal amount of water, swirl and hold liquid in your mouth for 30 seconds to increase contact with the \*\*\*buccal membranes to enhance delivery. Swallow, follow with 4 oz. of water to support *maximum absorption*.

**CAUTION:** If pregnant, nursing, or taking prescription drugs, consult with your healthcare practitioner prior to use.

**REFRIGERATE AFTER OPENING. SHAKE WELL.**

**KEEP OUT OF REACH OF CHILDREN.**

Due to the use of natural ingredients, color may vary.

Since 1972

# Resveratrol Reserve™

## CELLULAR LONGEVITY COMPLEX

### ALCOHOL & PRESERVATIVE FREE

### MAXIMUM ABSORPTION

Great Tasting

99% Pure Trans-Resveratrol  
Liquid-Concentrate

## SUPER CONCENTRATED

One teaspoon (5mL) serving contains 125 mg of trans-resveratrol. This is *equivalent to the resveratrol content of approximately 133 (5 oz) glasses of wine!*

## GREAT TASTING
