

Recommendation: As a dietary supplement, take one to two softgels daily.

Do not use if safety seal is missing or broken.
Keep out of reach of children.
Store in a cool, dry place.

Royal Jelly is a natural source of many nutrients. Royal Jelly is the only food for the Queen Bee, and it enables her to outlive worker bees thirty fold! The Queen Bee is also very fertile, laying up to 2,000 eggs each day throughout her life.*

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

Warning: Royal Jelly may cause an allergenic reaction in some people. If you are pregnant, nursing, taking any medications, or experiencing health issues, consult your doctor before use.
