

ProtoClear™ Detoxification Formula is designed to be part of the ProtoClear™ Detoxification System: a combination of an elimination diet, breathing and exercise, and the use of the ProtoClear™ supplement to help people eliminate toxins more effectively to aid in restoring healthy immune and digestive functions.* ProtoClear™ contains a balanced formulation of vitamins, minerals, and micronutrients in amounts that support detoxification and healthy cell regeneration.* The vitamins and minerals in ProtoClear™ are presented in easily absorbable forms to ensure proper utilization while avoiding most common food allergens and sensitivities.

*These statements have not been evaluated by the FDA. These products are not intended to diagnose, treat, cure or prevent any disease.

The ProtoClear™ supplement is uniquely designed to provide these important benefits:

- Aids in heavy metal detoxification* with PectaSol® Modified Citrus Pectin
- Uses co-enzyme B vitamins for better utilization, including extra B12 as methylcobalamin
- Equal ratio of calcium:magnesium chelated as citrates
- Supplies more Albion® mineral chelates as glycinate; including boron, copper, molybdenum and manganese at safe levels
- The only leading detoxification supplement containing pure Japanese technology naturally fermented trans CoQ10 for energy
- Contains ProtoSorb™C, a patent-pending vitamin C formulation providing calcium ascorbate with the metabolite threonic acid plus alpha lipoic acid for optimal absorption and utilization
- Provides natural-form amino acids for balanced immune and detoxification support: reduced Glutathione, L-Lysine, NAC, Glycine and Taurine*
- Supplies other nutrients useful for energy, immunity and detoxification such as TMG (betaine), MSM, Choline, EGCG from green tea, Silymarin extract from milk thistle and alpha-lipoic acid*
- MCT Oil provides quick caloric value without promoting storage as fat
- Organic stabilized Golden Flax Seed Meal provides valuable fiber, lignans, and essential Omega-3 fatty acids
- Contains All natural vitamin E
- More vitamin D3 than other leading brands
- Rice protein base is non-GMO, instant and non-reactive for most people
- Free of common allergens
- All combined in the best tasting medical detoxification formula*. ProtoClear™ is a unique breakthrough combination that truly tastes great!
