Supplement Facts

Our proprietary Stevia Extract is produced utilizing a patent-pending process which involves extraction from stevia leaves using only water and alcohol. The resulting extract is treated with a vegetarian-source enzyme (amylase) to reduce the licorice-like aftertaste of regular stevia extracts.

Cautions and Interactions

There are no known drug interactions.

Guaranteed Quality

This is an FDA-regulated dietary supplement that is produced in an FDA- and third party-inspected facility. We are certified for producing dietary supplements and USDA Organic products using Good Manufacturing Practices (GMP). All ingredients are quality tested to meet or exceed specifications. Our quality team goes above and beyond standard quality control to ensure the safety and efficacy of this supplement. We utilize advanced analytical and microbiological testing methods, with capabilities that are state-of-the-art and exceed basic lab requirements.
