Do Not Eat Freshness Packet. Keep in Bottle.

WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of reach of children. In case of accidental overdose, call a doctor or Poison Control Center immediately.

Not all multi-vitamins are created equally. Protocol For Life Balance™ Ortho Multi™ softgels offer a complete array of vitamins and minerals in an exceptionally comprehensive formula.

By supplementing the diet with additional vitamins and minerals, multi-vitamins can be a valuable tool for those with dietary imbalances or different nutritional needs.* People with restrictive diets or those who can't or simply don't wish to eat a nutritious diet.

Protocol For Life Balance™ Ortho Multi™ softgels contain all of the essential vitamins and minerals, plus key antioxidants and trace elements. Ortho Multi™ includes Ferrochel® patented iron bisglycinate, which is a gentle, non-constipating, superior absorbed form of iron. Supports general nutritional status.*

Cautions and Interactions
This product contains iron. Accidental overdose of iron-containing product is a leading cause of fatal poisoning in children under 6. Keep this product out of reach of children.

Guaranteed Quality
This is an FDA-regulated dietary supplement that is produced in an FDA- and third party-inspected facility. We are certified for producing dietary supplements and USDA Organic products using Good Manufacturing Practices (GMP). All ingredients are quality tested to meet or exceed specifications. Our quality team goes above and beyond standard quality control to ensure the safety and efficacy of this supplement. We utilize advanced analytical and microbiological testing methods, with capabilities that are state-of-the-art and exceed basic lab requirements.
