*In a double-blind, randomized, placebo-controlled cross-over study, 25 subjects exercised on a treadmill on two occasions. On one occasion the subjects took GNC's proprietary thermogenic blend 60 minutes before exercise and on the second occasion, they took a placebo. When the subjects took GNC's proprietary thermogenic blend, they burned three times more calories before, 3% more calories during and 12 times more calories for up to one hour after exercise compared to when they took the placebo. This resulted in an average cumulative total of 276 more calories burned before, during and after exercise compared to placebo.

GNC QUALITY COMMITMENT

GNC, the leader in the development and manufacture of dietary supplements, is committed to producing the highest quality products available. This commitment begins with quality designed supplement formulations. Every raw material that goes into a GNC supplement is guaranteed as to quality and potency. Each product is dated and then shipped immediately to our stores, so you can be sure you are purchasing the freshest supplements available. At GNC, we extend our quality commitment to you by offering our money-back guarantee.

GNC GUARANTEE

Use any GNC supplement for as little as 10 days. If you are not 100% completely satisfied, return the unused portion of the product with proof of purchase to your GNC store for a complete refund of your purchase price. No questions asked!

be-ENERGIZED™

CALORIE BURNING FORMULA

Burning calories has never been so easy...

You are a multi-tasker, so why should you expect any less from your supplements? **be-ENERGIZED** is a blend of thermogenic ingredients combined with powerful antioxidants to help maximize the results of your daily activities.*

Thermogenic: this supplement features GNC's own clinically-proven blend of ingredients to help boost your metabolism, helping you burn 3 times more calories before you workout and 12 times more after.* In addition, this specialized formula gives you more energy to help make your workout easier as you strive to raise your fitness results to a higher level.* And if that's not enough, this special blend supports mental focus - making multi-tasking a breeze!*

Antioxidants: the primary role of antioxidants is to fight against free radicals that can attack healthy cells and contribute to cell-aging.* Included in this formula are four dual-purpose antioxidants: clinically-studied grape seed extract, proven to support healthy circulation; green tea extract, standardized to ensure 50% EGCG to boost your metabolism; and glutathione and alpha-Lipoic acid to recycle antioxidants in the body.*

Now with the help of **be-ENERGIZED**, multi-tasking just got easier.

be-vibrant, be-sharp, be-active...be-ENERGIZED!
