Poly-Zyme 021

An enteric-coated proteolytic
enzyme formula

021

100 tablets

This enteric-coated enzyme formula contains five enzymes and one bioflavonoid.

Similar enzyme mixtures have shown clinical value for rheumatoid arthritis, celiac disease, Crohn's disease, cystic fibrosis, chronic venous insufficiency, lymphedema following breast cancer surgery, and shingles.

Suggested Use:

1 tablet daily or as directed by a health care professional.
