NATURE'S ANSWER® organic alcohol extracts are produced using alcohol, water and coconut glycerin utilizing our cold **Bio-Chelated®** proprietary extraction process, yielding a **Holistically Balanced™** standardized extract. Liquid extracts are absorbed faster than tablets or capsules, and are more potent than tinctures. **Holistically Balanced™** guarantees that the constituents of the extract are in the same synergistic ratios as in the plant. **Manufactured in our FDA registered and pharmaceutically licensed facility; Unconditionally guaranteed.**
