

Citracal® Petites are Different

*Absorbed
With or Without Food*

Citracal® contains calcium *citrate*, a highly soluble form of calcium. **Citracal®** does not require food or stomach acid for absorption.

Citracal® is the only† one that is properly absorbed with or without food. No other brand can offer greater absorption.

Citracal® Petites are smaller and easier to swallow.*

Citracal® is gentle on the digestive system.

† Among leading calcium brands.

*Compared to Citracal® Regular.
