

Unique Optimized
Flaxseed/Fish Oil Blend

The omega-3s in TheraTears Nutrition come from organically grown cold-pressed lignan-free flaxseed oil, and premium molecularly-distilled mercury-free, PCB-free fish oil. This flaxseed/fish oil blend supplements omega-3 metabolism better than flaxseed or fish oil alone, and makes TheraTears Nutrition a great for healthy tears and eyes, and great for healthy saliva and oral health.*

TheraTears® Nutrition

OMEGA-3 SUPPLEMENT WITH VITAMIN E

"Our landmark research shows that omega-3 nutrition is critical for normal tear function that is necessary to maintain healthy, comfortable eyes throughout the day.* And new research also shows that TheraTears Nutrition also supports saliva production that is necessary for oral health and mouth comfort.* Try TheraTears Nutrition and see what we have accomplished!"
