*At the time of encapsulation.

NO Corn, Wheat, Sugar, Salt, Citrus, Fish, Preservatives, Artificial Colors or Flavors Added.

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

DIRECTIONS: As a dietary supplement, take two (2) capsules daily, preferably with a meal.

Probiotics are beneficial or "good bacteria" that normally inhabit the large and small intestines. A healthy balance of probiotics can help inhibit the overgrowth of harmful bacteria. This balance may help support good digestion and regularity. Ultimate 10 can help re-colonize the good bacteria after antibiotic use, strengthening the body's own defenses.*
