SPRING VALLEY® Super Strength Cranberry delivers powerful antioxidants and a higher bioactivity than cranberry juice powder. The single dose 500 mg Cranberry is made from 100% cranberry fruit solids and is equivalent to 25,000 mg of cranberry fruit (50:1 ratio).

For years health experts have recommended cranberry to help promote urinary tract health.*

Only one dose per day provides the natural benefits of the whole cranberry without any solvents, preservatives, sugars, water, flavoring or color.
