If pregnant, nursing or taking any medications, consult your healthcare professional before taking this product.

Keep out of the reach of children.
Keep in a cool dry place, tightly closed.

Herbs have a distinct natural odor and may vary in color.

Green Tea Complex provides powerful antioxidants called catechins.* EGCG, a natural phyto-nutrient polyphenol, is the major catechin in green tea with antioxidant properties.* Green Tea Complex enhances metabolism and supports a healthy immune system.*

Green Tea Complex delivers these powerful antioxidants in one easy to swallow 1000 mg caplet.*
