

**RepHresh.
Pro-B™**
Probiotic Feminine
Supplement

**Balances Yeast & Bacteria to
Maintain Feminine Health***

**Just 1 Capsule per Day
Balances Yeast & Bacteria
to Maintain Feminine Health***

Lactobacillus, yeast, and other bacteria are all naturally present in your body, and optimum vaginal health occurs when there is a healthy balance of these elements. RepHresh Pro-B is clinically shown to provide healthy probiotic lactobacillus that works with your body to balance yeast and bacteria. With one capsule taken daily, you can take control and help maintain vaginal flora in a normal range.*

Directions:

Take orally. One (1) capsule daily.
