FOIL - TAMPER RESISTANT SEAL

If printed heat induced seal appears to be tampered with, do not use product.

**Regular exercise and a healthy diet with enough calcium helps teen, young adult and post menopausal women maintain good bone health and may reduce their high risk of osteoporosis later in life. Vitamin D improves Calcium absorption.

Directions: Adults, take one tablet, two times daily as a dietary supplement, preferably with meals. It is recommended that adults take 1200mg elemental Calcium per day.

Store in a dry, controlled room environment.
Keep Out of the Reach of Children.
