

In the land of the Nordic Trolls, only the Gleaner Trolls have the unique ability to see which cloudberry is ready to pick and which need more sunshine. Every day at twilight they pick ripe cloudberry along the banks of Norwegian fjords to make our Nordic Berries™ multivitamin.

Rich in vitamins, minerals, and antioxidants, this delicious sweet-and-sour citrus multivitamin supports good nutrition and wellness as part of a healthy diet, and makes an ideal companion to any of our fish oil products.*

Nordic Berries are pectin based, with no gelatin or added coloring.

Suggested Use: For 2 years and over, 4 berries daily with food, or as directed by your health care professional or pharmacist. Please ensure child chews each gummy thoroughly.
