

MAXIMIZE MUSCLE FUNCTION*

NutriBiotic Essential Electrolytes are designed to load your system with essential electrolytes for maximum electrical muscle impulse function when taken prior to athletic or strenuous activity.* When taken after these activities, NutriBiotic Essential Electrolytes help restore lost (through sweating) and utilized (through use) electrolytes resulting in a quicker recovery without cramping or spasming.*

Suggested Use: For maximum electrolytic response, adults, take 1 capsule before and 1 capsule after performing any athletic or strenuous activity.

Important: Always maintain adequate fluid intake during any activity.
