

NutriBiotic Grapefruit Seed Extract Capsules contain CITRICIDAL® (grapefruit seed extract), a natural quaternary compound synthesized from the seed and pulp of grapefruit. The process converts the grapefruit bioflavonoids (polyphenolics) into an extremely potent compound. This formulation is used by healthcare professionals worldwide.

Suggested Use: Adults, take 1 capsule 1 to 2 times daily. Take with or without meals, or as directed by a licensed healthcare professional. Not recommended for children under the age of 12.
