SCIENTIFICALLY ADVANCED, SUSTAINED RELEASE, LEAN MASS GAINER!

WHAT IS 100% MEGA GAIN™?

100% MEGA GAIN™ is a specific blend of 4 High Quality (High BV) natural proteins from 100% Pure Whey Isolate, Instantized Whey Concentrate and Hydrolyzed Whey Peptides providing an extended protein profile. The different absorption rates for the proteins allow for a more extended "feeding time" and a more complete amino acid pool for the working muscles.*

WHAT DOES 100% MEGA GAIN CONTAIN™?

100% MEGA GAIN™ is packed with Complex Carbohydrates (fast and slow release). Your body will consume **1000 CALORIES** in 1 serving! **100% MEGA GAIN™** is high in branch chain amino acids and glutamine to increase recovery and contains AMINOGEN® to ensure maximum absorption and aid in digestion while alleviating bloating, commonly associated with protein.*

***SUGGESTED USE:** Take 3 scoops twice daily with 10-12 ounces of cold water or your favorite beverage. For best results, take 2 hours after breakfast and after workouts.

WARNING: Consult a physician before using this product. Keep out of the reach of children. Store in a cool, dry place 15°-30°C (59°-86°F). Do not use if tamper-evident seal is broken.
